# FOOD IS LOVE™

Consumption of raw or undercooked seafood, poultry, eggs or meat may increase risk of food borne illness.

Before placing your order, please inform your server if you or a person in your party has a food allergy.

\* a gratuity of 18% will be added automatically to parties of 8 or more.

\* if we have not met your expectations, please inform us before you leave.

\* autographed cookbooks, t-shirts, hats and other fun stuff for sale in the shack.

\* gift certificates available – ask your server.

\*due to the depletion of fish stocks, we have switched to pollack for our regular menu (the texture and taste is almost identical to cod, its cousin). It is sustainable & local, allowing us to more fully support our local fishermen. We will offer cod as specials when it is locally available.
